NOTES

The attached letters to NASA and Chairman Fuqua should close out the clearance issue concerning [redacted]. We will have to follow this matter periodically to assure [redacted] is taken care of.

If Fuqua becomes Chairman of the full Committee as appears likely, he may want more classified information, contrary to the way Olin Teague operated. If so, we should establish a close relationship with James Wilson, his compartmented cleared staffer, and have him serve as the focal point on classified matters.
